You people have "blown it!" The people want to know EXACTLY why you have backed away from a conviction, reaffirmed by a higher court, not to mention public opinion!! What you have done makes President Bush look BAD, the Administration look BAD, and the DOJ looks very bad!! Now you're in a position where the industry has to take measures of it's own to FORCE proper compensation and SEVERE restrictions on Microsoft via the courts and an investigation on "the Hill."

Fred A. Miller
